MILFORD POLICE DEPARTMENT MEMO

TO: Lieutenant B. Marschner
FROM: Lieutenant W. Cable
SUBJECT: Civilian Complaint - Tim Cook
DATE: July 19, 2013

On July 11, 2013 Tim Cook called to report that he was assaulted by two Off Duty Milford Police Officers. He said that the incident occurred earlier that morning (around 0030 hours) at the Kings Court which is located at 229 Bridgeport Avenue. He stated that he sustained injuries to his left eye, left lip, and that he lost his glasses which rendered him "without vision". Mr. Cook refused to cooperate with this investigation and would not provide any further information.

Sergeant Burton responded to the Kings Court and determined that there were several off duty officers in the establishment when this incident occurred. They were Officer Lennon, Officer Noss, Officer A. Moreno, Officer Ballard, and Officer Aquino. Two employees of the business gave statements indicating that a male whom they believed to be Mr. Cook was involved in an altercation which they tried to diffuse. They were unable to diffuse the situation without assistance and feared that it was escalating so they asked for the off duty officers help. Officer Lennon, Officer Noss, Officer A. Moreno, and Officer Ballard helped to escort the unruly patrons out of the establishment. Officer Lennon was still on scene and verified this account. He completed a report documenting what happened. Officer Aquino was determined to be in the bathroom during this incident and was not involved. The other officers completed supplemental reports documenting their roles. During the subsequent investigation I responded to the scene and was unable to locate any evidence to substantiate Mr. Cook's claims. I did notice damage to the exterior of the establishment which is assumed to have been caused by Mr. Cook and the other combatants in the initial confrontation. It is believed that they caused this damage after being escorted out of the establishment by the off duty officers. Each officer mentioned above was issued a memorandum of inquiry in regards to this incident and they each submitted their response within contractual time limits. Their responses were consistent with the statements received from the impartial witnesses. All information obtained indicates that these off duty officers conducted themselves professionally and diffused a potentially violent episode without force. The impartial witnesses (business employees) were very complimentary of our officers and thankful for their assistance.

I contacted Mr. Cook on July 17, 2013 to attempt to obtain further information from him. He indicated that he was not injured and that he did not want to file a complaint. He refused to meet with me, provide any witness information, or go over what he previously reported. He thanked me for listening to him and then ended the conversation.

Based on the information obtained I would classify Mr. Cook's complaint as unfounded.

On August 25th, 2017 at around 8:00 p.m. I was driving down the Post Road going with the flow of traffic near the McDonalds. An unmarked police SUV suddenly came up and tried to hit me. When that happened, I had to drive around another car in front of me to avoid being hit. I stopped on Woodmont about 100 feet away and pulled over to the side of the road.

After I stopped, four police in plain clothes surrounded the car with their guns drawn on us shouting orders for me to put my keys on the roof of the car. I slowly reached out of the driver's window with the keys in my left hand to place them on the roof. As soon as I did this the police officer grabbed my arm, pulled it backwards and broke my arm. He then opened the door and used my broken arm to drag me out of the car. He threw me to the ground and my knees got scratched. I laid there for maybe 30 minutes with my broken arm underneath my body. I never gave police consent to search my car. Two police stood over me and one had a gun out. After a while an ambulance came and took me to the hospital. Police also took my glasses and phone away. The doctor told me that the officer shattered the humerus in my left arm. I also had scratches on my knees and ended up having a black eye.

Mr. Croings was home when an Officer knocked on the front door. He identified himself as Christopher Croings and officers made him aware

that there was a warrant for his arrest. Mr. Goings asked what it was for and then asked to get his shoes on and maybe a coat. Two Officers grabbed him by his right arm and by the jacket and pulled him outside and to the ground. Several other Officers then ran over and kneeled on his back. One was jumping up & down with his knee on Mr. Goings back. One Officer kneeled him in the top of the head several times. Someone was holding his head down into the pavement at that point. Mr. Goings states he pulled his left arm up near his head to protect himself. Mr. Goings states that at one point he was being kept on so hard that he could not breath. He states that he knows Officer Dade & Officer Preto were on scene. Mr. Goings sustained bruising on the left and right side of his face. There was also lacerations to both sides of nose, face and forehead. Milford Hospital informed him there was a fracture to his nose. There was also swelling to the top, right and left side of his head. Left hand has marks due to tightness of handcuffs. Mr. Goings states that he had neck pain from either being kicked or kneed in the head/neck.
